NEW WCA VENDORS MEMBERS

Dear Members,

Please join us in welcoming the newest member offices of the WCA Vendors Network.

COMPANY: UNITEAM TRANSPORT SYSTEMS (HK) LTD. (HONG KONG)

For more than a quarter of a century, UniTeam has been a pioneer and leader in providing reliable specialized software solutions for the global transport industry. Our purpose is to help eliminate the complications of sea, air and land transport for our clients by assisting them to manage cargo movements more easily and efficiently.

Founded in Denmark in 1986, UniTeam today serves more than 3,000 users in 18 countries and continues to expand its worldwide service. In addition to our head office in Denmark, since 2001 we have had an office in Hong Kong (UniTeam Transport Systems (HK) Ltd), bringing us closer to our customers in the Far East in order to provide them with better service.

Our customers come from many different areas within the transport sector, including Carriers, Air- and Seafreight Forwarders, Liner Agents, NVOCCs, Trucking Companies, Distributors, Warehouse Operators and more.
