

Uniteam Group Newsletter December 2018

Uniteam wishes all our customers and partners a Happy New Year

We would like to thank all our customers and partners for their support in 2018 and look forward to working with all of you in the year to come.

In 2018 was a busy year as we partnered up with several new partners and also implemented 8 new customers on our Uniteam 5 platform.

We are working hard on our next upgrade to Uniteam 5 + that will further improve the efficiency of our customers workflows and we will continue to enhance our products to the benefit both our customers and their customers.

Organizational news:

2019 starts with some organizational changes as Jens Friis Sørensen and Tom Mikkelsen are leaving us and we wish both of them all the best in their new jobs.

At the same time, we welcome 3 new members of Uniteam Group;

Linda Lindvig who will be our new CFO and also be customer support on finance related issues. Linda has been a Uniteam customer and has worked with our systems as user for many years and she will strengthen our support and further development of our Finance module.

Kim Falk originally started as a freight forwarder but got involved in IT and Kim comes from DHL Global Forwarding as head of BPO and Quality. Kim has a vast experience in business processing and quality assurance and has been involved in IT and business processes for more than 25 Years.

Hans-Henrik Jakobsen also originally started as a freight forwarder and comes from Navitrans latest. Before that Hans-Henrik served as IT Manager for Scan-Group for nearly 10 years and among many things he was responsible for an IT department serving 7 companies worldwide with + 400 users.

Both Kim and Hans-Henrik will be a part of our Global Support Team and we warmly welcome all 3 new members in Uniteam Group
